CALL FOR PAPERS

It is our pleasure to introduce to you INTERNATIONAL JOURNAL OF RESEARCH IN EDUCATION, SCIENCE AND TECHNOLOGY as a platform to take your research articles to another level for publication. It will interest you to know that with this journal we subscribe to a broad understanding of innovation in education in order to provide a wide platform for academic and practitioner discussion in order to create knowledge and exchange ideas on education, science, technology and other related fields.

We expect all articles to be written in English language as a common language for ease of understanding by all users. We advise all interested authors to send in manuscripts that have not been submitted elsewhere for publication and their personal collective research work.

BENEFITS AND GUIDELINES FOR AUTHORS

1. After the online publication authors shall receive one hard copy of the Journal.
2. After every 1st two papers we publish your third paper free.
3. All articles are available online for readers
4. Publication of the journal goes for USD 90 or its equivalent for all Authors.
5. 5-7 days review process after submission of article.
6. You will receive information of your article in less than 36 hours from the time of submission.
7. **Visit INTERNATIONAL JOURNAL OF RESEARCH IN EDUCATION, SCIENCE AND TECHNOLOGY VIA: www.globalacademicstars.com**
8. Each paper must be accomplished within a review fee of USD 9 only.
9. Payment for publication fee should be made to the following account details:

**Ecobank – Account Name: Global Academic Stars Promoter
Account Number: 2343019045**

SCHEDULE DATE FOR PUBLICATIONS

Deadline for submission: 25th of every month

Acceptance Notification: Within 5-7 days from the date of manuscript submission.

Journal Publication Date: Every fifth working day of the month

N/B

1. Articles should be submitted in type written form in Time new Romans, with 12 font size in double line spacing and should not be more than 15 pages.
2. The Manuscript must be prepared according to the current American Psychological Association (APA) manual on form and style.
3. The first page should be used to indicate the title of the paper, author's name, institutional affiliation, status, and contact address including telephone number(s), and e-mail address.
4. The second page should contain only the title of the paper and abstract of not more than 150 words.
5. Literature should be current (outdated references may stop your work from being published).

EDITORIAL COMMENTS

INTERNATIONAL JOURNAL OF RESEARCH IN EDUCATION, SCIENCE AND TECHNOLOGY is a journal designed to create a platform for eminent scholarly work and to take your research articles to another level for publication as well as providing you with a wide range of information with respect to academic and practitioner discussion on issues in education, science, technology and other related fields. The contents cut across vocational studies, science education, educational technology, curriculum studies, business education, educational psychology, as well as other related disciplines.

It is our profound gratitude to Almighty God for making publication of VOL. 5 NO. 1 of this material attainable. We the Editorial Board of the Journal, wish to thank all the scholars who have contributed immensely to this edition of the journal even as we promise to always make available, latest development in education and to keep the public updated with new research findings. Thank you.

PROF. EDWIN L. PIUS
EDITOR IN CHIEF
