EDITORIAL COMMENTS

KING-UK INTERNATIONAL JOURNAL OF ACADEMIC ANTHOLOGY is a unique platform that provides not only the academic/scientific community, but also the entire world, with the latest research findings on topical issues, innovations, developments, discoveries, inventions, etc. This creates opportunities for all scholars, future researchers and lovers of knowledge to contribute immensely or develop themselves in a ground style for national and global economic development.

First and foremost, we are grateful to Almighty God for making this vision realizable. We are also glad to present to you the VOL. 7, NO. 1 of the KING-UK INTERNATIONAL JOURNAL OF ACADEMIC ANTHOLOGY. It is our joy, as the Editorial Board of the Journal, to express our gratitude to all the scholars who have contributed immensely to this edition and make this journal prominent. Being conscious of their unprecedented patience and understanding till the publication of the journal, we give them a million thanks.

The journal incorporates various disciplines and so contains various kinds of research and development carried out by experts in different fields of study. Few of the fields are home economics, environmental health, transportation, biology, architecture, management sciences, education, engineering, social science, art, counseling, science and technology, etc.

While promising to always keep the public updated with new research findings, we are appreciative to all the users of this rich menu of intellectual property. We also advice that you should patiently go through the journal as it promises to meet your diverse teaching, research and academic needs in all areas. We also thank you all for recommending this collection of intellectual property to your colleagues, family members and friends. Thank you.
