

EDITORIAL COMMENTS

LIBRARY AND INFORMATION SCIENCE COMPENDIUM This is a book chapter designed to provide all academic and research papers on recent developments in library science, educational technology, information and communication science, as well as other related disciplines to the theme and sub-themes of the book chapter. The book creates a platform for scholars in various fields, including library science, educational technology, and information and communication science, to showcase the papers of their various research meant for rapid development of their disciplines, including academic and global economic development/sustainability.

We are glad to present to you the maiden edition of the book chapter (**LIBRARY AND INFORMATION SCIENCE COMPENDIUM**), as the editorial board of the book remains profoundly grateful and thankful to all the scholars who have contributed to this edition for its immense success. Indeed, this book chapter is an anthology of the academic efforts of experts from various disciplines.

Finally, we wish to express our profound gratitude to all the users of this book as a product of the intellectual property of distinguished scholars as we urge you all, to patiently go through the work. It is our belief that these scholarly book will serve many purposes including mentoring, diverse teaching, academic research, economic development and many more. Thank you.

LIBRARY AND INFORMATION SCIENCE COMPENDIUM

CALLS FOR SCHOLARLY PAPERS

It is our pleasure to create an opportunity for you to get your scholarly papers published in **LIBRARY AND INFORMATION SCIENCE COMPENDIUM**, a book chapter managed and published by Global Academic Stars Promoter {GASPRO}. All the papers are to be written in English, and all interested authors should be guided against sending in manuscripts that have already been submitted elsewhere, but to ensure that the papers are their fresh research ideas from their personal collective research work.

BOOK TITLE:
LIBRARY AND INFORMATION SCIENCE COMPENDIUM

1. Management of books and other information
2. Library and public health
3. Library safety and security
4. Library building
5. Collection of Information resources
6. Preservation of information resources
7. Conservation of information resources
8. Organization of books and other materials
9. Library Noise Policy
10. Library code of conduct
11. Information storage
12. Information retrieval
13. Information utilization
14. Recording of information and knowledge
15. Library services with Information and communication technology
16. Mentoring
17. Library and Copyrights
18. Journal publication techniques
19. Academic Library and Mode of services
20. Public Library and Mode of services
21. National Library and Mode of services
22. Special Libraries (*Corporate library, Law library, Federal library, Medical library, Physics library, Military library, Music library, Transportation library*) and Mode of services.

BENEFITS AND GUIDELINES FOR AUTHORS

1. Authors shall receive one hard copy of the book.
2. All papers are available online for readers
4. Book Chapter Publication for online and print edited is USD 90 or its equivalent for all Authors.
5. 5-7 days review process after submission of article
6. You will receive information of your papers in less than 24 hours from the time of submission
7. Visit **LIBRARY AND INFORMATION SCIENCE COMPENDIUM VIA: www.globalacademicstarspromoter.com**
8. Each paper must be accomplished within a review fee of USD 9 only.
9. Payment for review and publication should be made into the following account:
Ecobank – Account Name: Global Academic Stars Promoter
Account Number: 2343019045

SCHEDULE DATE FOR PUBLICATIONS

Acceptance Notification: Within 5-7 days from the date of manuscript submission.

N/B

1. Articles should not be more than 18 pages and should be submitted in typewritten form in Time New Romans, with a 12 font size in double line spacing.
2. The manuscript must be prepared according to the American Psychological Association (APA) manual on form and style.
3. The first page should be used to indicate the title of the paper, the author's name, institutional affiliation, status, and contact information, including telephone number (s) and e-mail address.
4. The second page should contain only the title of the paper and abstract of not more than 250 words.
5. Literature should be current (outdated references may make your work unpublishable).
6. It should be sent to any of the following e-mail addresses: gasprojournal@yahoo.com or gasproworld@yahoo.com. Articles should be submitted as an email attachment.

Besides, manuscripts, correspondence or inquires can be sent to:
